- Please do not plan on taking your son or daughter from the competition following our performance. We prefer they stay with the group for this festival. Listening to other groups is a very valuable learning tool. **Also, we load and unload equipment as a group. Everyone helps!**

 - Boys - dress pants, long-sleeved dress shirt, tie, dress socks, and dress shoes.
 - Girls - dress pants; a long-sleeved dress shirt, blouse, or sweater; dress socks; and dress shoes. Girls may wear dresses/skirts, but they must be worn with leggings or opaque tights. Shoulders must be covered.

- *All performance attire must meet school dress code for boys and girls.*
- Please remember all mutes, accessories, your instruments, sticks etc. Double check before we leave that you have everything you need!
- Make sure you are supportive of other bands! Find something they are doing well. We would want them to do the same for us.
- Cell phones and other devices must be avoided during performances!
- Most important have fun!
